Description:

A young lad awakens on an island, alone and brutally injured, with no memory of his past. Captain Declan Ross searched for riches that will free him and his headstrong daughter, Anne, from the piracy business forever . . . Bartholomew Thorne, an infamously ruthless pirate, seeks to destroy Ross and any who stand in his way of the legendary treasure hidden by a mysterious order of monks. With these intriguing characters and many more, Wayne Thomas Batson weaves a spell-binding adventure filled with high-seas drama where battles rage, storms brew, a long-dormant volcano awakens, and a sea creature slithers in the deep as pirates race for a cliff-top fortress.

Looking for adventure that will take you through caves and on the high seas? Welcome aboard, mate! Batson crafts a story that will make you believe you are the silent observer and traveler to every event. The character will introduce themselves and you could swear that you just saw one walking through the library looking for you to share another adventure. They are unforgettable and I felt lost when I finished this book. I highly recommend this book! Everyone should read it at least once. But if you're ever feeling lonely, the friends you made in Isle of Swords would love for you to visit again. :)
